

# BP Shipping CEO's HSSE Awards 2012

BP Shipping is pleased to announce the winners of the eighth annual BP Shipping CEO's HSSE Awards. The awards – which were presented by John Ridgway, Chief Executive Officer, on Tuesday, November 5 – acknowledge contributions to improved health, safety, security and environmental (HSSE) performance. The awards were created to acknowledge and encourage organisational and individual contributions to safety and environmental improvement. The winners for 2012 have demonstrated inspirational acts of world class excellence and will be used as guidance to future HSSE improvement.

## Partner of the Year Achievement:

Synergy Maritime Pvt Ltd

## Judge's comment:

The development of the LARP (Look/Act/Report/Prevent) loss control programme has built a culture of proactive engagement in the drive for health and safety excellence, allowing staff to stop work, suggest new ways of working and to generate new ideas. The success of LARP has also been freely shared in regional forums to help improve the safety performance of the shipping industry.

## Commended:

Executive Ship Management

raising the flag together  
clean seas • safe ships • commercial success

## Ship of the Year Achievement:

Nord Nightingale

**NORDEN**

## Judge's comment:

For seamanship and upholding the best traditions of the sea with a rescue in the North Sea, UK.

## Outstanding Safety Achievement:

Besiktas Group

## Judge's comment:

The Besiktas Group has managed a complex transition, in a challenging trading geography, while consistently delivering safe operations consistent with the highest standards.

## Ship of the Year (BP Operated fleet):

**Winner:** *British Curlew*

**Commended:** *British Esteem*

## Outstanding Environmental Achievement:

Interorient Navigation Co Ltd

**INTERORIENT**

## Judge's comment:

Interorient's detailed and inclusive approach to environmental performance is aimed at both shore side management teams and its vessels. This ensures outcomes are sustainable and are achieved in a cost efficient way. Interorient also shares its experiences with the industry through Intertanko, the European Union and the Environmental Ship Index.

## Outstanding Safety Achievement (BP Operated fleet):

**Winner:** Thorsten Kalinofski,  
Tim Moseley, Peter Schotten  
& Frank van de Ven
